

INVESTMENT IN SUDAN

COMMERCIAL COMPANIES LAW

Commercial Companies Law

- The 1925 commercial companies' law which has been extensively modified throughout the past years represents the legislative framework for company operation in Sudan. This law gives equal rights to local and foreign companies.
- Companies in Sudan are classified into public limited, private limited, partnerships, special concession companies, and companies with shared local and foreign capital.
- The process of registering a company in Sudan takes place at the Commercial Registrar's office by a representative of the company, a lawyer or a consultancy office.
